Minutes for the PWSD #1 of Gasconade County board meeting held on March 23, 2026.

Meeting was called to order at 4:47 by Mike Garlock. Those in attendance were Mike Garlock, Randy Fuller, David Dietrich, Jim Martin, Chris Berry and Laura Buck. Brian Gentges and Bob Hathcock from Cochran, and Doug August were visitors.

Brian Gentges said Midstates is almost caught up on the punch list. Once the list is done, they get their final payment and then we can close it out. All our samples look good so far.

Bob Hathcock gave a report on the training. Last week he had Jerney go through all the valves, and he picked it up good. During the first week of April, they will get the UV lights up and going. The lights run until the end of October. The guys pull the samples early in the month in case they need to retest.

- Chris Berry made a motion to approve the minutes of the February 2026 meeting. Randy Fuller seconded the motion. Vote taken; motion passed.
- Randy Fuller made a motion to approve the financials for February 2026. Chris Berry seconded the motion. Vote taken; motion passed.
- Randy Fuller made a motion to approve the Billing Registry for February 2026. David Dietrich seconded the motion. Vote taken; motion passed.

Laura Buck gave a list of unexpected expenses for the year. She thinks late fees need to be adjusted with the new rate amounts. She will bring ideas to the next meeting.

David Dietrich got the price for a storage building. It was a lot more than expected. He will check with other companies. It might be more budget friendly if we go with a stick frame building.

There was discussion on having an open house for the WWTF on a Saturday morning in May. We will discuss it more at the next meeting.

- Randy Fuller made a motion to adjourn at 5:47. Chris Berry seconded the motion. Vote taken; motion passed.
