

PWSD # 1 OF GASCONADE COUNTY MISSOURI
3408 B PEACEFUL VALLEY RD
OWENSVILLE, MO 65066
PHONE 573-437-7808
office.pwsd1@gmail.com

Minutes for the PWSD #1 of Gasconade County board meeting held on April 21, 2025.

Meeting was called to order at 4:55 by Mike Garlock. Those in attendance were Mike Garlock, Randy Fuller, Doug August, Coy Altemeyer, Don Burrows and Laura Buck. Brian Gentges and Christopher Berry were visitors.

Brian gave an update on the WWTF. He said it is coming along pretty good. They are hooking power up. Eva had a bunch of questions about the change order. The motor they are waiting on will probably be here in July. They can start the plant up, but it won't be fully functional until the motor is in. He will talk to Tony Miller and see if he has an idea when startup will be.

Christopher Berry is interested in being a board member. He hasn't been a resident for a full year yet, so he may not be able to. Laura will check with Valarie Main to see if he can since we have a vacancy.

- Randy Fuller made a motion to approve the minutes of the March 2025 meeting. Coy Altemeyer seconded the motion. Vote taken; motion passed. Those in favor: Mike Garlock, Doug August, Coy Altemeyer and Randy Fuller. Those opposed: none.
- Coy Altemeyer made a motion to approve the financials for March 2025. Doug August seconded the motion. Vote taken; motion passed. Those in favor: Mike Garlock, Doug August, Coy Altemeyer and Randy Fuller. Those opposed: none.
- Randy Fuller made a motion to approve the Billing Registry for March 2025. Coy Altemeyer seconded the motion. Vote taken; motion passed. Those in favor: Mike Garlock, Doug August, Coy Altemeyer and Randy Fuller. Those opposed: none.

Doug August no longer wishes to be on the board so we now have 2 openings.

Don hasn't heard anything about the grant for the service line inventory. They had their meeting but haven't released any information yet. The original lines are cooper and most newer lines are pex. He has to send in what he knows by the end of the month and mark unknown for everything else.

The Booster Station should be done in a couple of weeks. They are about to flush the lines and hook up to the mains.

Midstate said they sent a bid to Don for the manhole at the beach. Don didn't receive it yet. Midstate will now send it to Mike. We will go forward with it unless it is extremely high.

Don worked on a sewer pipe that was clogged up about 12 feet with wet wipes. The pipe was also broken so he repaired that.

Doug asked why there were now no trespassing signs at the lift station. It is because people go down there to fish and leave trash and rut up the grass. The DNR also says that no one is allowed on water district property.

Randy emailed Don about letting customers know when we are flushing or adding bleach, etc. to the water. Don notifies them by the robo calls. Randy said he doesn't get them. Laura will look into it and see why he doesn't get them.

The meeting was recessed at 5:55 and moved to an executive session. The executive session started at 5:57 and was adjourned at 6:10. The regular session also adjourned at 6:10.
